Thoughts from the Pastor

Dear Friends in Christ,

There's been a new sound lately in our worship services. Have you noticed? No, it's not contemporary music or loud drums. There have been coos and cries and sweet amens and little ones taking in all the sights and music and asking questions. What a delight to have children worshipping with us!

Summers usually are busy, happening times in the life of the church. Last year we didn't get to do all the traditional things we love. This year we are looking forward to a wonderful summer of sharing times of worship, fun, and fellowship together. Check out our summer activities for our children, grandchildren, nieces, nephews, and neighbors!

Nursery: Our nursery is available each Sunday morning during both worship services and the Sunday School hour. We have two wonderful nursery attendants, Stephanie Chamberlain and Amberly Womble, who provide loving and fun care for our little ones who need a place for comfort and play!

Sunday School: Our children and youth Sunday School returned in-person in mid-April and we are loving this time to be together again to learn all about God's Word! We have classes available for all ages, year-round on Sundays at 10:00 am. Give us a call for more information.

Music Ministry: Did you know that we have four choirs? Two for kids and two for kids-at-heart. Kayla Ellingson directs our Angel Choir for children up to age 5. Molly Moore Teem is our new SonShine Choir director for children 5K-6th grade. Check out page 14-15 of this document for news about Music Camp and a registration form! Camp will be awesome!

High School students are welcome to join our adult choirs! Craig Davis is our Matins Choir director (8:30 am service) and Barry Moore is our Chancel Choir director (11:00 am service). Singing in the choir is a great way to serve the Lord and make friends at church.

Vacation Bible School: Please save Sunday, July 18th 3 to 6 pm for this year's VBS! This year as we get back into VBS, we're planning a one-day event full of all the fun activities we have loved in recent years. We'll have a Bible story, music, craft, games, service project, snack, and dinner! Participants—please

Church Business

stay tuned for registration! Volunteers—WE **REALLY** NEED YOU! Please give Pastor Cassie (me) a call if you are interested in serving in any capacity! Our children need VBS for their faith development and we need your heart to serve them!

YouthWorks Mission Trip: Please pray for our youth group as we travel to Spindale, NC June 13th-18th for our summer mission trip! We will be working on home repair and yard beautification projects. Mission trips can be life-changing and a powerful time in the lives of our youth and youth leaders! Thank you to all who will be going with us!

Youth Week: If you will be entering the 6th-12th grades this coming school year, you will NOT want to miss Youth Week 2021! Mark your calendars for July 25th-31st for an epic week of growing in our faith, having a ton of fun, and making great friends! We'll have a mix of day and evening activities. Come every day or when you can! This year we're planning a lake day, tubing on the river, hiking to a waterfall, Minute-to-Win-It games, a service day with our senior saints, and our annual lock-in. Friends are always welcome! Registration coming soon!

Senior Saints: Please join us Wednesday evening, July 28th, as our youth cook the dinner and lead worship with our seniors. You are all invited! We will be reaching out to invite you soon!

God's blessings to you & all our children!

Pastor Cassie

present.

- **Confirmands** were interviewed by Council.
- **Educational Ministry** reports that there is still a need for Sunday School teachers. Pastor Cassie is contact person.

- **Staff Support** presented the job description and proposed compensation package for a full-time Youth and Young Adult Director in preparation for the called Congregational meeting on May 16, 2021. ***Update: Position approved.***
- **Worship & Music** requested that we remove masks. After much discussion, it was decided that masks would remain on except when seated, but the ropes would come down.

Stewardship & Finance

Year of the Disciple: Sharing Your Time

Have you seen the insurance commercial about the three P's—price, price, and price? Disciples for Christ have the three T's—Time, Talent and Treasure. The Stewardship and Finance Committee has asked three church members to share their time, talent, and treasure discipleship message. This month Jean Hundley share her discipleship of time as an Altar Guild member.

Discipleship can be shown in many ways, offering our services to our church is a great way. The Altar Guild is one way to offer our time. The Altar Guild is entrusted with the privilege of preparing the worship space for the gathering of God's family. We clean the chancel and see that all furnishings & appointments are dusted and in their right place. Candles, candleholders, linens, & paraments must be cleaned and placed for the service. With two services, the preparation of the wine and bread and proper placing on the table for the Lord's Supper is a large part of our service. Following the late service, the altar is cleared of all communion materials and returned to storage.

As I sit in the pew each Sunday morning, I look at the beautifully prepared altar and think of the sacraments waiting to be distributed. I have a smile on my face and a feeling of satisfaction knowing I was able to participate in some small way. Baptized into the membership of St. Peter's we offer ourselves to the Lord of the Church for what He has done and continues to do for us.

Safety Committee Updates

As part of our efforts to improve the safety of our members and guests, the Safety Committee has some exciting updates to provide.

Cameras and Monitors

A total of 20 cameras have been installed inside the church, around the office, at the cemetery, and outside of the buildings. The cameras run 24/7/365 with viewing monitors being place outside of the sanctuary and also in the Parish Life Center. Data is stored and we have the capability to review the data should there be a need. Additional cameras can be added if necessary and some individuals will have the ability to view the cameras on their cell phones in real time. Cell phone access is being limited to select individuals and approval for access is by the Safety Committee. Sincere thanks to all who have contributed for the installation of the cameras, intercom and new phone systems.

Evacuation, Inclement Weather, and Active Shooter

Plans for all of the above have been developed with instructions being placed at each phone or intercom location. Additionally, we worked with an architect and have evacuation & inclement weather diagrams created for the Sanctuary. The plans will illustrate where a person is to proceed for evacuation or inclement weather based on where they are seated. This will prevent bottle necks and will expedite evacuating the sanctuary if needed. The PLC is newer and has more visible exits so individuals would evacuate it via the closest exits. A copy of these can be found on pages 5-10 of this newsletter and laminated copies of the plans are being placed in the sanctuary pew racks in the appropriate sections. If you have questions, please speak to a member of the Safety Committee (listed below).

Next Steps

We will be working on establishing expectations for ushers related to monitoring cameras and other related duties. Training programs will then be established, and we are also discussing having some drills. We are also looking into safety needs and equipment related to medical emergencies. Finally, we will work with Staff Support on revising nursery practices.

Thank you for your continued support and place contact a member of Council or the Safety Committee with questions or concerns.

Safety Committee: Debbie Arnold, Marion Gable, Bobby Harmon, Steven Johnson, Claude Lindler, Keith McMillan, Wayne O'Neill, Russell Rawl, John Stiglbauer, Buck Vaughan, Greg Webb, Carol Wyndham, and Steve Wyndham.

Notes of Thanks

Greetings!

The congregation of Immanuel Lutheran thanks you for the continued financial support and for your prayers. We continue to lift St. Peter's in our prayers also.

With gratitude & love,

Reba Mahaffey, Secretary
Immanuel Lutheran
Sumter, SC

I wish to thank the members of St. Peter's Church for all the beautiful Get Well cards and phone calls since my illness. It is gratifying and warming to be remembered by so many people. I am also thankful for all the prayers not only for me but for all people that have been ill during this pandemic.

Praise God for His blessings,

Beryl Roberts

My Church Family,

What a tragic death for my sister, Mary! But God knew she was "ready" to be living in her heavenly home free of pain and stress.

Thanks for the prayers, love, cards, calls, and visits from my St. Peter's Family. I was especially pleased to see my church friends at the funeral service.

Half of me left with her. I will miss her but she will live in my heart forever. What a sister!

Blessings,
Jane & Godfrey Burnett

Dear Brothers & Sisters in Christ at St. Peter's,

In His service and to His glory,

Service Committee

JUNE MONTHLY SPOTLIGHT: COVID VACCINE AWARENESS

Over the years the Service Committee has sponsored health screening and Red Cross blood drives at St. Peter's. We would like to provide assistance with anyone wanting to get the Covid vaccination. Here is the statement from SC DHEC.

All the COVID-19 vaccines are **safe, effective,** and free. They reduce your risk of getting the virus, particularly in severe forms. Get the first one you can schedule.

- The Pfizer-BioNTech and Moderna vaccines require two shots, 21– and 28-days apart respectively. Don't leave your first appointment without knowing when and where you'll get your second shot.
- The Janssen (Johnson & Johnson) vaccine requires a single shot.
- Only the Pfizer-BioNTech vaccine is approved for those 16-18. all the vaccines are approved for 18 and up.

Finding a Vaccine Location: What to Expect

- The process will depend on the location you choose. **Follow directions carefully.**
- The vaccine is free and you don't need an ID or health insurance to get it.
- Vaccines are usually administered by appointment, but some locations accept walk-ins.

Find a COVID-19 Vaccine: Search vaccines.gov, text your zip code to 438829, or call 1-800-232-0233 to find locations near you.

My Pharmacy, Doctor's Care, Publix, CVS, and Walgreens, all nearly, are offering the vaccine. Some have separate web sites and phone numbers to schedule your vaccination.

None of the authorized vaccines contain the live virus that causes COVID-19, so they cannot give you COVID-19.

After receiving a COVID-19 vaccine, you may have some side effect, which are normal signs that your body is building protection. Side effects are typically mild to moderate, occur within the first 3 days beginning the day of the vaccination, and resolve within 1-2 days of onset. Some people have no side effects. Common side effects on the arm where you received the shot include **pain, redness, and swelling.** Throughout the rest of your body, you may feel **tiredness, headache, muscle pain, chills, fever, and nausea.** For more information, please see the CDC's website under **Possible Side Effects After Getting a COVID-19 Vaccine.**

If you need additional assistance, please contact a member of the Service Committee.
